— OUR SERVICES

A COMPLETE INDUSTRIAL PORTFOLIO

Thirteen integrated capabilities across three service groups — delivered by one accountable partner, to one standard of excellence.

CORE OPERATIONS

TRANSPORT & CARGO

Heavy haulage logistics

PROJECT LOGISTICS

End-to-end planning

CONSTRUCTION

Civil & site preparation

WELDING & FAB

Certified metalworks

NDE INSPECTION

Testing & QA / QC

MAINTENANCE & SYSTEMS

PLANT MAINTENANCE

Shutdowns & preventive

MARINE REPAIRS

Vessel dry-dock support

STRUCTURAL ERECTION

Steel framework

MECHANICAL

Piping & rigging

SUPPORT SERVICES

EQUIPMENT RENTAL

Heavy machinery fleet

BLASTING & PAINT

Protective coatings

DISTRIBUTION

Equipment & abrasives supply

TRAINING

AMPP / SSPC certification

TRANSPORT & CARGO HANDLING

HEAVY HAULAGE, MOVED WITH PRECISION

We operate a modern fleet of heavy-duty trucks and cranes, providing specialized transport solutions for oversized cargo and industrial equipment throughout the Caribbean.

Heavy Haulage

Expert transport of extra-long, wide and heavy industrial cargo.

Crane Services

Truck-mounted Fassi cranes for integrated self-loading lifts.

Route Planning

Comprehensive route surveys and logistics for complex moves.

Secure Transport

Certified rigging and load securement for sensitive equipment.

WELDING & FABRICATION

WELDED TO CODE

Expert certified welding for structural steel and pressure piping, with full WPS / PQR compliance and complete QA / QC documentation.

- ✓ Structural steel & pressure piping
- ✓ Shop & mobile welding services
- ✓ Full WPS / PQR & QA / QC compliance

NDE INSPECTION

QUALITY, PROVEN

ISO 17020 accredited non-destructive examination, with comprehensive digital inspection reporting and coating assessments.

- ✓ ISO 17020 accredited inspection body
- ✓ Ultrasonic, MT, PT, VT & PMI testing
- ✓ Digital reporting & coating assessments

BLASTING & PAINTING

LONG-TERM CORROSION PROTECTION

Advanced surface preparation and protective coatings, executed by certified crews in our specialized indoor facility to safeguard asset integrity.

Surface Preparation

Abrasive blasting to Sa 2.5 profiles with strict contamination control.

Advanced Coatings

Industrial & marine systems, including stripe coating for critical areas.

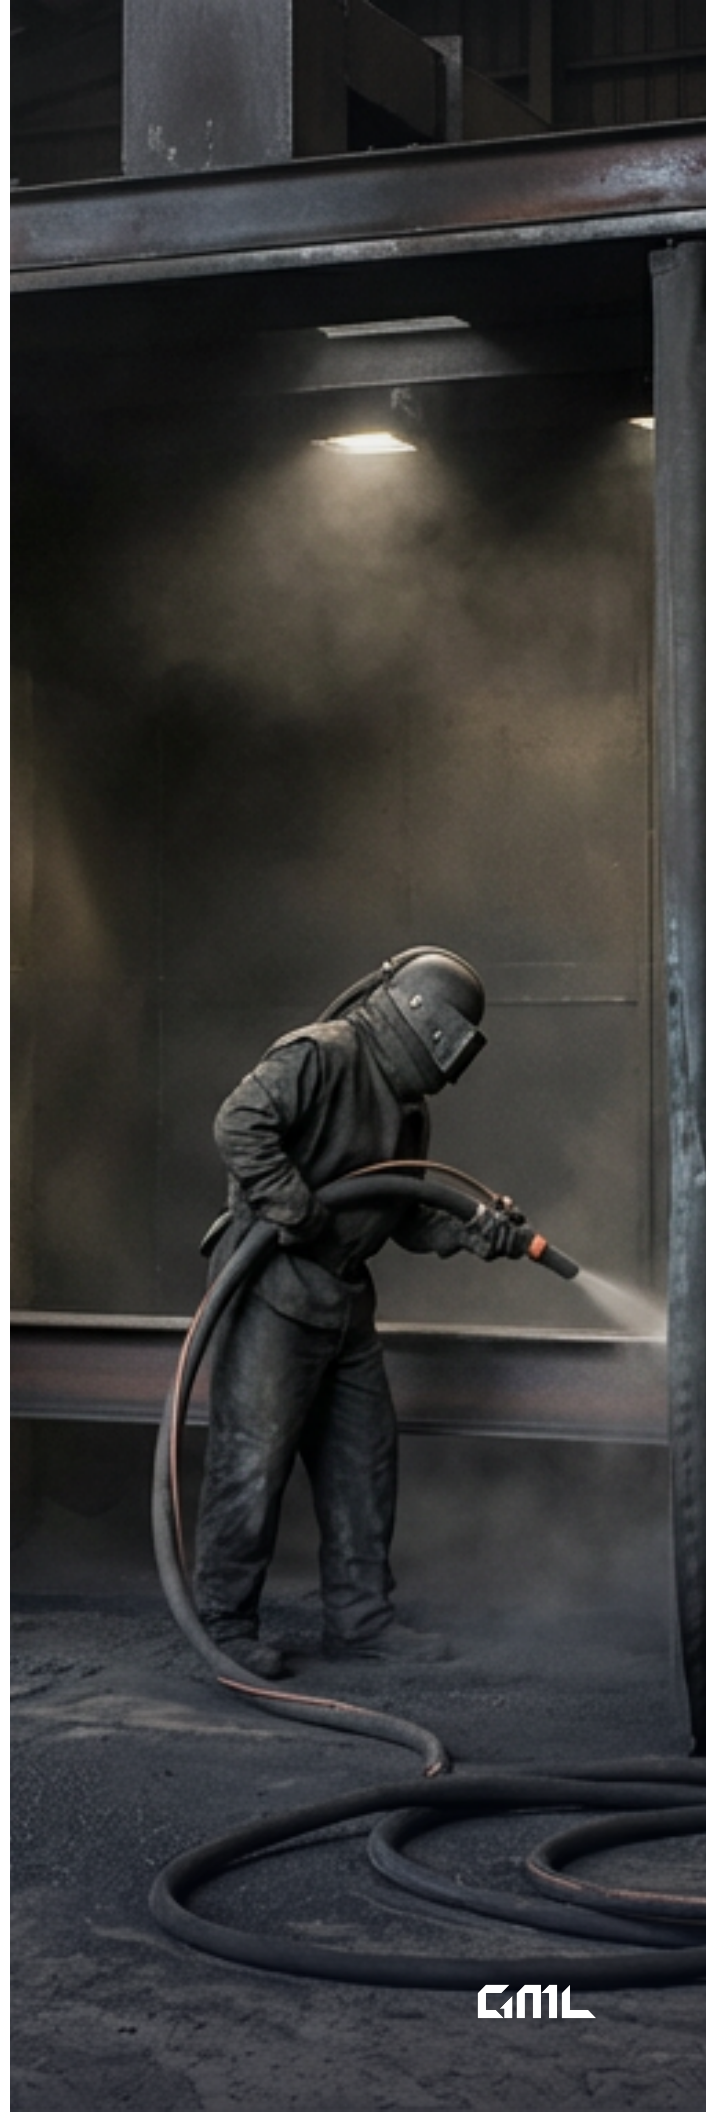

Quality Assurance

DFT verification, adhesion testing and full QA documentation with warranty.

Certified Expertise

SSPC / AMPP-trained crews under NACE / AMPP inspection oversight.

EQUIPMENT RENTAL

READY TO MOBILIZE

Your single source for third-party certified industrial equipment — DNV-rated offshore units and heavy machinery ready for immediate mobilization.

- ✓ DNV compressors, generators & CCUs
- ✓ Welding units, skid steers & excavators
- ✓ Operated or bare rental · short or long-term

CCU SOLUTIONS

OFFSHORE COMPLIANT

Service, sales, supply and rental of DNV-certified Cargo Carrying Units and baskets — built to DNV 2.7-1 standards for safe offshore mobilization.

- ✓ Inspection, repair & DNV 2.7-1 recertification
- ✓ New & certified pre-owned CCUs and skips
- ✓ Lifting sets & accessories to spec

PROJECT LOGISTICS

WE HANDLE THE COMPLEXITY

**Single Accountability**

One partner for the entire chain.

**Risk-Managed Plans**

Comprehensive HSE planning.

**24/7 Control Room**

Constant communication.

**Caribbean Reach**

Seamless regional mobilization.

THE GML LOGISTICS CHAIN

1

SCOPE & ROUTE STUDY

Feasibility & survey

2

PERMITTING & ESCORTS

Regulatory compliance

3

PACKAGING & DOCS

Secure prep & filing

4

PORT / CUSTOMS

Clearance & handling

5

HEAVY-LIFT & TRANSPORT

Safe execution

6

LIVE TRACKING

Real-time updates

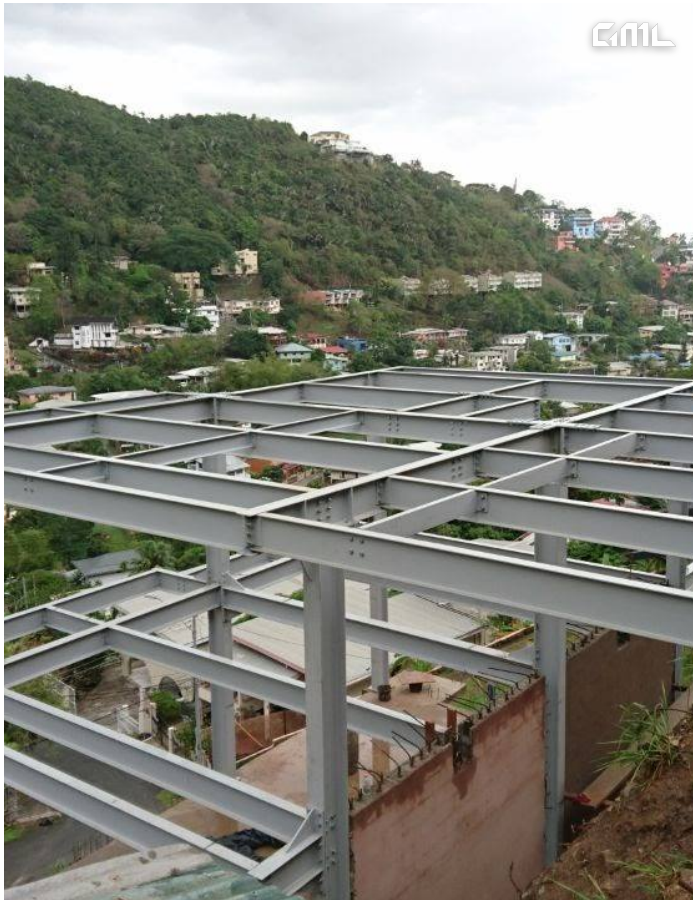

7

ON-SITE OFFLOAD

Final handover

ROUTE SURVEYS · SPECIALIZED TRANSPORT · PERMIT MANAGEMENT

CONSTRUCTION SERVICES

GROUNDWORK TO COMPLETION

Comprehensive civil works and site preparation, delivered with a focus on safety, efficiency and rigorous project control.

- ✓ Foundations, pads & concrete structures
- ✓ Structural steel erection & building works
- ✓ Earthworks, drainage & road construction

MARINE & MARITIME

CLASS- COMPLIANT REPAIRS

Rapid, class-compliant maintenance and repair for vessels and offshore support craft, executed in ports, shipyards and offshore across the Caribbean.

- ✓ Hull maintenance & protective coatings
- ✓ Pipework, valve & onboard welding
- ✓ Dry-dock & port-call turnarounds · IACS

DISTRIBUTION

AUTHORIZED SUPPLY

GML is the authorized distributor for premium industrial products — ensuring quality equipment supply for surface preparation, abrasives and heavy-duty tires.

- ✓ Air Blast abrasive blasting equipment
- ✓ Rockridge Abrasives — premium media
- ✓ Royal Black Tires — heavy-duty solutions

TRAINING SERVICES

BUILDING COMPETENCE

Industry-recognized training and certification programs that ensure workforce competence, safety compliance and operational excellence.

- ✓ AMPP / SSPC training & certification
- ✓ Surface preparation & coating application
- ✓ Inspector training & qualification

— WHY CHOOSE GML

WE GET IT DONE RIGHT

Our commitment to quality, safety and reliability makes us the preferred partner for complex projects across the Caribbean.

"We don't just get the job done
— we get it done right."

ISO 17020

STOW

OSHA

01 24/7 Operations

Round-the-clock availability ensures rapid mobilization for emergencies and tight schedules.

02 Experienced Workforce

Comprehensive training keeps our team current on the latest techniques for expert execution.

03 Quality Management

Rigorous standards ensure precision, reliability and full compliance in every project.

04 HSE Culture

A strong, incident-free safety record protects our people, your assets and the environment.

05 Proven Track Record

40+ years of successful delivery brings proven reliability to your most critical projects.

06 Client-Centric Partnership

High satisfaction built on transparency, honesty and hands-on management.

COMPETITIVE ADVANTAGE

WE DON'T CLAIM QUALITY — WE CERTIFY IT

Our operations adhere to the strictest international and local standards, ensuring safety, reliability and excellence in every project.

STOW

S.T.O.W. Certified

Safe To Work certification verifying high-risk HSE compliance for the energy sector in Trinidad & Tobago.

ISO 17020

ISO 17020

Accredited inspection body demonstrating technical competence for Non-Destructive Examination (NDE).

OSHA

OSHA Compliant

Strict adherence to Occupational Safety & Health Administration standards for a zero-harm workplace.

SSPC

SSPC Train-the-Painter

Internationally recognized certification for industrial coating application and surface preparation.

NACE · AMPP

NACE / AMPP

In-house certified inspectors specializing in corrosion control and protective coating systems.

ALLMI

ALLMI Certified

Qualified operators and instructors for lorry loaders, ensuring safe and efficient heavy lifting.

D-U-N-S

Dun & Bradstreet

Registered and verified for financial stability and operational credibility (D-U-N-S Registered).

100%

Quality, Certified

ISO / STOW-certified quality management systems underpin every service line we deliver.

DIGITAL INNOVATION

THE FIELD, SYNCKED TO THE OFFICE

We have revolutionized our operations by going digital. Every form, inspection and report is now cloud-based — delivering unmatched speed, accountability and transparency.

Field-to-Office Sync

Real-time data transmission from remote sites directly to headquarters.

Instant E-Signatures

Faster approvals and sign-offs — no paperwork delays or physical storage.

Secure Cloud Records

All documentation encrypted, searchable and instantly retrievable.
